

## Creating a Community of Professionals to Improve the Future of Australian Industry

IPA is committed to building a diverse community of industry professionals, who can collectively make a difference by bringing an expansive range of knowledge, expertise, thought, and innovative solutions.

### ENGAGE

### LEARN

Over 100 participating member sites across three states. Some of Australia's finest!

Our membership is ultimately based around your people, giving your leaders the confidence to reach out and find solutions within the IPA community.

### CONNECT

## FOCUS AREAS

By involving these key business areas and a cross-functionality in people attending events, the entire team collectively enhances their capabilities.

Assets &  
Maintenance

Business &  
Strategy

Health, Safety &  
Environment

People &  
Culture

Process  
Improvement

Supply  
Chain

## DIVERSE AND INNOVATIVE EVENTS

### Working Groups

Bring together functional experts to discuss a topic in depth.

Each event is an opportunity to **engage** in conversation, **learn** from the practical knowledge and experience of others and create vital **connections** with organisations and professionals.

### Masterclasses

An opportunity to learn from industry experts in their field of expertise.

### Leader Retreats

Two half days, networking dinner. Participate and hear internationally recognised speakers.

### State Forums

A full day based around a larger topic of interest. 2-3 guest speakers.

### Leader Conversations

45 Minute online opportunity to listen to senior leaders in our network talk about the work and passions.

### Site Tours

Get out and see some of Australia's finest.

### Leader Dinners

Join other leaders within your State for dinner and drinks, in a very relaxed atmosphere.

### FridayFocus

One hour of casual conversation and dialogue around a chosen topic.

### National Conference

2 day premier event. Keynotes and 24 speakers. Exhibitors. Drinks & Canapes. 150 attendees.

## ACCESS TO OUR IPA COLLECTIVE NETWORK

Our IPA Collective network is a selection of some of Australia's finest consultants and trainers. They fill in the gaps of expertise in the selective areas of excellence.

Specialists within our network come highly recommended by trusted sources within our community and are available to provide assistance whenever you need it.
